Rehab and treatment facility cleaning: what we clean

Walk it alongside your housekeeping protocol and note the program's timetable.

Facility _____ **Address** _____

Walked by _____ **Date** _____

Resident rooms

- ☐ Entered only once staff open the door
- ☐ Personal items left untouched
- ☐ Reachable surfaces, door hardware and switch plates
- ☐ Sills and floor
- ☐ Bins emptied on the way out
- ☐ Closed or resting rooms noted for the next pass

Showers and shared bathrooms

- ☐ Tile walls and shower doors scrubbed
- ☐ Drains, fixtures and grab bars
- ☐ Floors
- ☐ Paper and soap restocked

Group rooms and offices

- ☐ Chairs set back in their circle before the first session
- ☐ Side tables and armrests wiped
- ☐ Carpet vacuumed and tissues replenished
- ☐ Counselor and case manager offices dusted around desk items
- ☐ Files, sign-in sheets and screens never read or moved

Reception and family rooms

- ☐ Entry glass
- ☐ Seating wiped
- ☐ Visitor restroom
- ☐ Floors kept spotless ahead of weekend visiting

Dining and kitchenettes

- ☐ Serving lines, tables and chairs after each meal
- ☐ Dining floor swept and mopped
- ☐ Kitchenette counters, sinks and microwaves
- ☐ Refrigerator fronts and coffee areas
- ☐ Trash taken straight to the enclosure

Protocol and room resets

- [ ] Order of work set by your infection-control plan
- [ ] Soil cleaned off before any disinfectant goes on
- [ ] EPA-registered products left on for the label dwell time
- [ ] Handrails, door pulls, switches, phones and remotes each visit
- [ ] Discharge room reset from vents down to the bed frame and floor
- [ ] Key, escort and locked-unit rules followed

Notes
